

To Whom It May Concern:

As an XM subscriber, I value the XM Instant Traffic & Weather service for the Chicagoland area. I pay for my XM service each month, and I believe this is a necessary service XM provides.

I respectfully urge the FCC to reject the NAB's petition 04-160, and allow XM to continue to provide this valuable service to me and other XM subscribers.

Thank you kindly for your time and attention to this.
